

YOURTABLE® COOL

Cooled freshness – irresistibly presented

|| Discreetly arranged, skilfully placed or simply just overwhelmingly colourful: YourTable Cool gives you the choice! ||

| YOURTABLE COOL

Irresistible to your customers!

■ **The fresh aroma of all kinds of fruit and vegetables** and its wonderfully appetising effect. The visually tempting array of a variety of natural green, yellow and red colours and their various shades. The “serving” of complete menus as an inspiration for customers’ dining tables or when hosting guests: If your customers have a passion for long-lasting freshness, they will simply love YourTable Cool!

The multifunctional presentation table from Wanzl stands for the uncompromising presentation of fresh and convenience products at your POS. Irrespective of what you might want to offer your customers in what way: store operators can rely on its all-round usability, its flexibility and its magnetic pull in any sales environment.

// Your benefits – at a glance //

- Suitable for any position in your POS
- Maximum multifunctionality
- Full cooling performance at full capacity
- Smooth installation and conversion

YourTable Cool is designed for placement at walls and gondolas as well as back-to-back as island solutions. As YourTable Cool Twin, it can be used optimally as a mid-floor solution.

Either way: Its incredible conversion options and 100 percent cooling performance are guaranteed whatever the goods!
