

Genesis Self-Checkout

The way we pay today

Genesis Self-Checkout

Relieves your staff and reduces queues in the checkout area

- > Durable stainless steel shelves
- > Suitable mounts for customer-provided hardware
- > Body available in preferred colour

The Genesis Self-Checkout can also be equipped with a tabletop cash register system on request.

GENESIS SELF-CHECKOUT

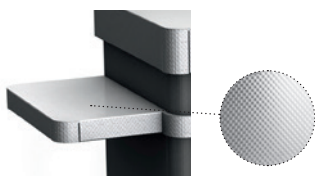

Equipment example:
Bags and hardware not
included in the scope of supply

The stainless steel shelf is also available in an extended version on request.

Genesis Self-Checkout

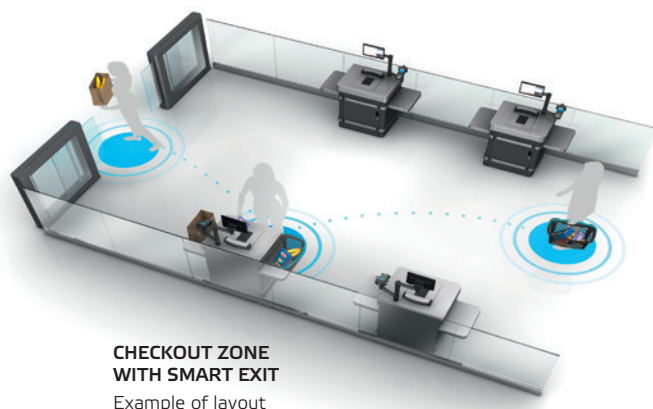

Welcome to the future of shopping! Our robust cash desk for self-checkout makes paying a piece of cake. Say goodbye to long queues in the checkout area while reducing the workload on your staff!

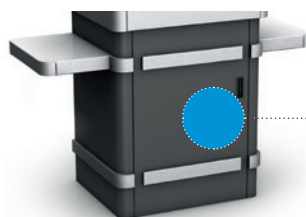

The stainless steel shelves have a special structure to prevent scratches and to keep looking attractive even after frequent use.

We specially fit all required mounts for hardware such as monitors, printers and scanners. Please note that the technology itself must be provided by the customer.

CHECKOUT ZONE WITH SMART EXIT
Example of layout

The powder-coated body can be produced in the colour of your choice so that it matches your store design perfectly.
