At Wanzl, we know what people will want tomorrow. As a world market leader for shopping trolleys, we provide the right solutions for Hotel Service too. As early as the 1970s, the first Hotel Service products such as the plate and tray trolleys emerged, to optimise daily processes in the hotel and catering trade.

Today, Wanzl employs over 5,000 employees at eleven production sites worldwide, working on new business areas and products and on unusual product designs based on consistently high quality and a vast product range. The aim: perfectly satisfied customers.

The world is changing. Take advantage of it!

For optimised daily hotel processes. Wanzl’s professional competence ensures effective work processes in the hotel and catering trade – and thus also the competitiveness and business success of its partners. Functional, economical and user-friendly products minimise personnel requirements and help to satisfy the high expectations and requirements of your guests.
Innovation

Wanzl sets the standards for production: in all areas of production, Wanzl's quality policy results in products made from the best materials, first-class workmanship and well-finished surfaces. This ensures long-term maintenance-free use and investment security.

Quality

Wanzl sets the standard for quality – particularly with regard to smooth motion: the castors are mounted on two maintenance-free ball bearings, have abrasion proof treads and feature steering forks with ball bearings. As a result, our chambermaid trolleys are quiet, smooth running and easy to steer.

Innovation

Wanzl sets the standards for innovation: practical solutions from practical experience: using cutting-edge production and design technology, we create innovative, forward-looking products and constantly set new standards for handling and effectiveness.

01.01 Tantum 9

Robust space saver at a low price

> Variably adjustable wire shelves
> Wooden rear panel as a privacy and dirt screen
> Removable side sections for space-saving storage
01.01 Tantum 9

In an international comparison, the Tantum 9 chambermaid trolley is the most economical. The model impresses with its lack of plastic parts. It is therefore more robust and hygienic. Its rear panel is made of hard-wearing, impact-resistant wood. It also serves as a privacy and dirt screen and, like the side panels and wire shelves, can be retrofitted if required. This means that its durability makes it so economical.

Standard equipment: solid steel structure, two height-adjustable wire shelves, as well as a U-shaped wire shelf at the top and a wooden shelf at the bottom. Two hangers for hanging laundry and rubbish bags, one of which is a bar with folding lid for closing 120 litre plastic bags. Lower bars, each with grid. A high-quality laundry bag in Anthracite and a VE 120 litre plastic bag are included in the scope of delivery.

Finish: plastic powder coating, metallic black

Castors: 4 swivel castors, diameter 125 mm with rubber tread and plastic deflector rings.

Deflectors

Effective protection
Non-marking deflectors on the frame and side sections protect against interior damage.

01.06 Mundus®

Housekeeping, reinvented. Create a custom chambermaid trolley to suit your needs. You can also create "your design" from 3 frame colours, 3 textile colours and 5 finishes, which you can combine according to your requirements.

Hybrid design: steel tube base combined with aluminium profiles, e.g. with fold-out bars for hanging laundry sacks and rubbish bags, and one bar with a folding leather cover to conceal a 120 or 50 litre plastic bag. Lower bars each come with grids and two height-adjustable removable shelves in matching finish.

Finish: frame with coloured plastic powder coating
Castors: Mundus 9 and 11: 4 swivel castors with polyamide tread, diameter 200 mm, 5th castor in the centre with rubber tread, diameter 160 mm
Mundus 7: 2 swivel castors, 2 fixed castors with polyamide tread, castors diameter 200 mm
Mundus 5: 4 swivel castors with polyamide tread, diameter 125 mm
01.01 Chassis of the Mundus®

The exterior features of the Mundus are excellent and match perfectly with the high quality it demonstrates in its design, equipment and accessories. The whole trolley is made of robust steel which ensures high load capacity and stability, while the surrounding profiles are made from aluminium. Its hybrid structure makes the compact Mundus truly lightweight.

Structure

For an even more elegant appearance. Guardrail included to prevent guest supplies from falling.

Standard drawer

Lockable option available. The removable pull-out drawer with soft closing provides additional storage space.

Shelves: Standard

Variable shelves: can be inserted without tools. The shelf can easily be set at various heights.

Aluminium profile

Lightweight design: the Mundus is easy to manoeuvre thanks to its aluminium profile.

5th castor – easy to manoeuvre

Simply perfect: the 5th castor allows the trolley to turn on the spot.

Lockable roller shutter

A lockable system operated using an RFID lock is only possible in combination with a Standard drawer.

Protection for your interior

Protective feature: rubber deflectors protect the hotel interior.

Structure With leather cover

High quality fibreglass reinforced leather cover. Optional lockable cover for added protection.

3P drawer

Push & pull. Two additional storage compartments for image brochures and documents. Practical clipboard for checklists.

Shelves for variant with roller shutter

Customisable solutions: special shelves for variants with lockable roller shutter.
01.06 Customise the side sections

The Mundus can be equipped individually. Nothing is off the shelf, it is all tailor made. The trolley comes with a long list of practical equipment. Instead of standard configurations, we offer variety, meaning that the chambermaid trolley is always ready for use and is a perfect fit for any job in every establishment.

- **Soiled laundry sack holder**
  - Standard or with an elegant fabric covering.

- **Drawer compartment divider**
  - Variable compartment dividers organise the guest supplies.

- **Grid tray**
  - Effective protection for your interior thanks to deflectors.

- **Rubbish bag holder**
  - Fold-out bar for hanging a plastic sack, with folding leather cover as a finish.

- **Leather cover for dirty laundry bag holder**
  - Clean solution: on request, with folding leather cover as a finish.

- **Nova laundry trolley**
  - The laundry trolley can be detached from the Mundus using a handle, allowing it to be taken into rooms separately.

- **Removable tray**
  - Extendable trays for customised storage space.

- **Double rubbish-bag holder**
  - Waste sorting made truly easy when providing housekeeping services.

- **Pushing handle**
  - Simple and comfortable operation in confined spaces thanks to the optional pushing handles.

Choose from three colours. Visually and functionally perfect with Velcro fastening.

01.07 hotel-max

For invisible housekeeping

> “Invisible” assistants for disturbance-free housekeeping
> For hotels with an upmarket ambience
> Compact, manoeuvrable and stylish

---

**Standard equipment**

**hotel-max S and hotel-max L service trolleys:**
The chassis consists of a round-tube design with plastic powder coating. There is a wire storage basket and the wire bottom tray holds the service basket; hotel-max L features particularly generous dimensions.

**Castors:** made of plastic with wear-resistant tread.

**hotel-max S and hotel-max L service baskets:**

**Extras for the hotel-max L service basket:**
There are 2 basket heights, each equipped with a small item basket. Additionally, the shorter version* has one compartment divider.

---

* Height 440 mm
01.07 hotel-max S and hotel-max L

Elegant and manoeuvrable multi-function transporters by Wanzl. The hotel-max S and the hotel-max L do their work as a constant, "invisible" companion to the chambermaid and thus prevent impairment of the overall impression given by hotels with an upmarket ambience.

Collapsible to save space

The hotel-max S and hotel-max L service trolleys can be folded down to occupy very little space when they are not needed. It really does not get any more practical. Both very quickly become indispensable.

Lots of space for cleaning requirements

Everything you need for housekeeping can be comfortably accommodated in the wire basket on the control handle of the hotel-max.

Particularly gentle

Plastic profiles ensure additional protection on all surfaces. The double edging wire offers the servicebasket additional support.
