## | 24/7 MINI STORE SOLUTION

The ideal 24/7 shopping solution for campsites and leisure resorts

# | UNLIMITED SHOPPING – DAY AND NIGHT

Create your own mini store concept with us

■ **What we all really want:** the ability to shop 24 hours a day, seven days a week. With our digital mini store concept, you can grant guests to your campsite and resort their wish – with no limits! Guests simply take what they need from the shelves and display cabinets. The concept revolves around practicality. Guests gain access to the store via their guest card or smartphone app. They can then scan the items themselves using their own device or alternatively at the

self-checkout at the exit. And that's it – shop done, without any staff!

Wanzl was honoured to receive one of the coveted Top Supplier Retail Awards for its unlimited shopping concept. The route from planning to implementation is simple: In a short space of time, we can plan and furnish your 24/7 mini store for you – with you and your guests in mind – and hand it over to you ready for use.

↑ **IT'S ALL ABOUT THE DETAIL:** With the right goods on the shelves, you can attract guests to your shop at any time of the day or night, offering them a handy alternative to a trip to the supermarket.

← **MEET YOUR GUESTS' LAST-MINUTE NEEDS AROUND THE CLOCK:**  
 Snacks, drinks, cosmetics and electronics:  
 You know the needs of guests to your campsite or resort better than anyone so you decide which items are available in store.

↑ **SOPHISTICATED CONCEPT:**  
 Staff-free operation of the mobile store generates additional sales without increased staffing costs. Guests simply pay by themselves using the self-checkout.
