

Flower Island

The flower stand for a business in bloom

Flower Island

The flower stand with new sales perspectives

- › High-quality product presentation for potted plants and cut flowers
- › Simple design – products ideally placed in the foreground
- › Best possible integration into your product range

FLOWER ISLAND 90°
Standalone

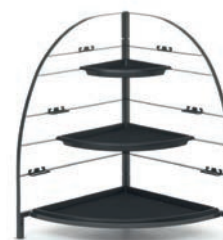

FLOWER ISLAND 180°
Standalone

Flower Island 90°

The space-saving 90° standalone solution blends harmoniously into your retail space. Combine buckets for cut flower with plastic trays for houseplants, or potted plants.

Flower Island 180°

The 180° module is the perfect option for expanding the 90° solution, creating an even richer flower display with the same degree of flexibility.

Flower Island in detail

■ **Flower Island** for an impressive way to present your flower display and ensure flourishing sales.

1 SUPPORT UNIT

Cut flowers displayed to their full advantage.

2 TOP SIGN

For strong branding with custom printing on request.

3 PLASTIC TRAY

With a felt mat for safely placing delicate pots.

4 CONNECTING BOW

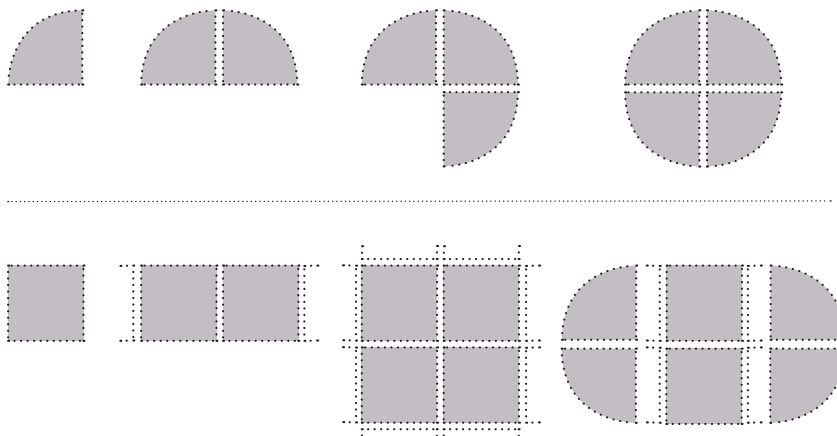

Practical clamping bar for quick assembly and connection of the modules.

5 PRICE TAG

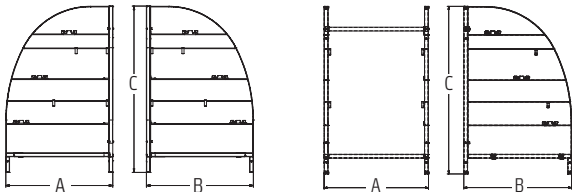

Rod in 400 mm or 600 mm length with label for price. Alternative price display with clamp 3.

Endless possibilities

Whether it is against a wall or a freestanding display solution selling potted plants or cut flowers – Flower Island adapts perfectly to your space and product range. With plastic trays, support units and top signs, the expansion options are endless.
