

Effective buying impulses for product displays

Make the most of your POS

YourTable – the multifunctional presentation system that makes it possible to present products professionally in a simple way. The accompanying components and accessories are designed to be versatile and can be combined as required. For your purposes and with your product range expertise, this means: more design freedom and more focus on the goal in product displays.

Choose your options from our range of expressive colours and finishes and build the perfect stage for your products with YourTable: your customers will thank you!

Different combinations of system models **T.01**, **T.02**, **T.03** and **T.04** offer every opportunity to conjure up the right mood on the sales floor.

|| Your benefits – at a glance ||

- · Create targeted buying impulses through product staging
- · Use multifunctional presentation areas
- · Choose individually matched colours and finishes
- · Proven quality MADE BY WANZL

Create space for the right mood

You want to draw your customers' attention to particular products? – Then put them in the right mood! YourTable makes your product ranges – like the bread and baked goods specialities in this case – come brilliantly to the fore. This way, your merchandise can find its way safely to your favourite place: your customers' shopping trolley.

YourTable offers a wide range of possibilities for this. You can resize your settings at any time, add accessories or rearrange the design in detail. Whether it's an emotionally charged presentation of specialities or an attention-grabbing promotional offer: surprise your customers again and again with your creative designs!

Expanded modularity – meaningfully arranged: YourTable as an eye-catcher from any angle

Shopping pleasure par excellence

■ Wine section – arranged by Wanzl!

Angled or upright, in boxes or free-standing: despite the wide range of products on offer, the integration of the sales areas remains clearly structured for the customer. Poster frames and suspended advertising boards provide key product information.

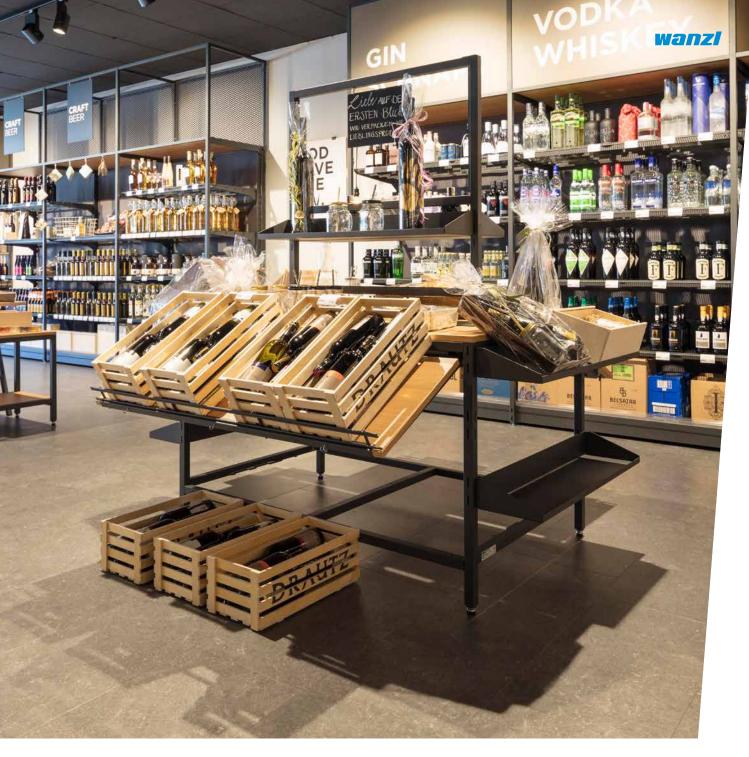

Add-ons such as the wire tech 100 wire shelving enrich the staging with striking accents.

The full spectrum of freshness!

■ Be it fruit and vegetables or herbs and flowers: present your fresh products as fresh, as delicious and as conspicuous as possible! Place your fruit crates so that the fruit catches the eye immediately. Create additional sales space by adding more shelves as table top attachments or by hanging them on the side. Use the poster frames and advertising boards to inform customers in the most visible way.
