

# EvoGrip® and EvoSeat

The smart handle system and comfortable child seat

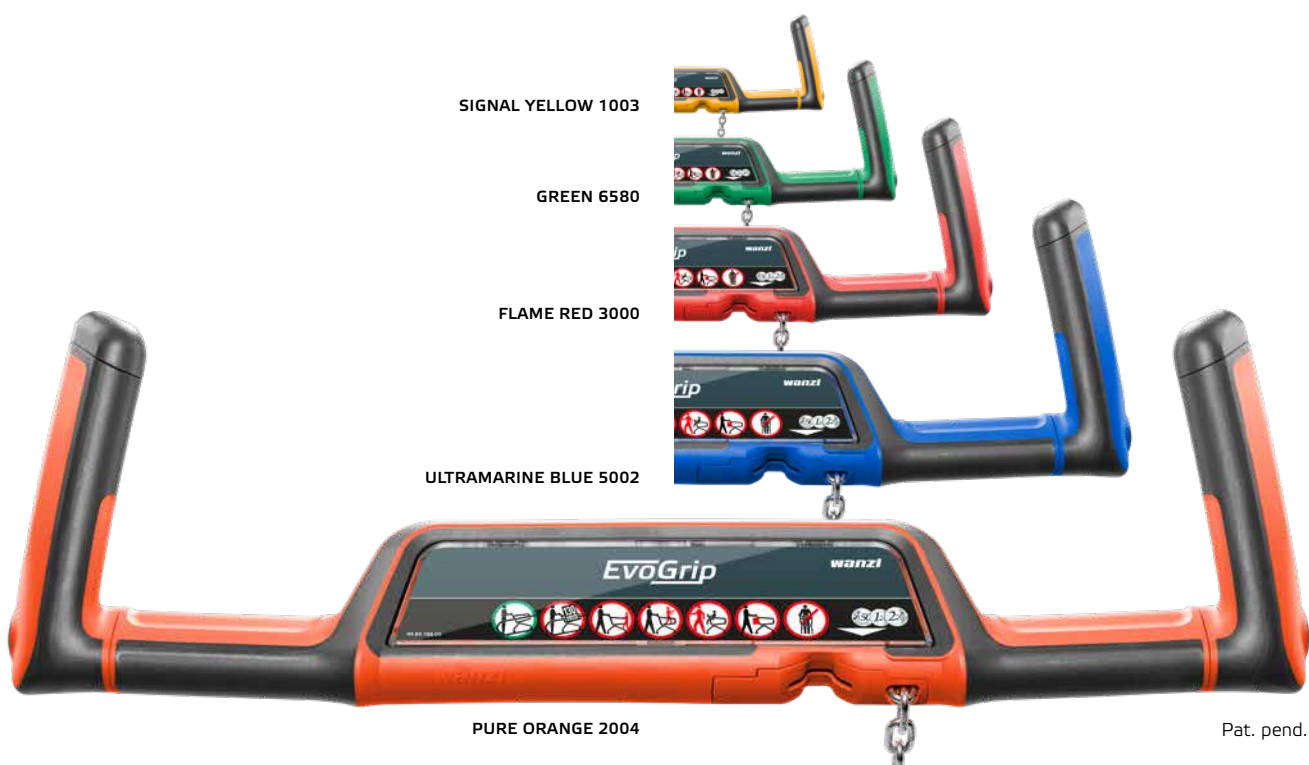

# EvoGrip®

The smart handle system

- > A high level of comfort for people of different heights
- > Highly adaptable to the corporate design and store concept
- > Large advertising area for alternating ads

The EvoGrip handle system is available in five attractive accent colours.

The upright handles of the EvoGrip enable optimal steering and pushing of the shopping trolley. For effortless shopping.

Pat. pend.

**Cup holder**  
A variety of inserts for cups of different sizes.

**Coin deposit system**  
Easy-to-use and trouble-free. Chain made of stainless steel, key made of high-strength light alloy.

**Scanner and smartphone holder**  
Holder for stores with mobile scanning; can also be used for smartphones.

**EvoGrip with generous advertising space**  
For alternating ads or store logo.

■ **As a constant companion in the store and at the customer checkout,** the shopping trolley and its handles are of huge importance. Together with the shopping trolley, the modular EvoGrip handle system makes an ideal package which is tailored according to the market positioning, product range and customer profiles.

The **EvoGrip handle unit** is manufactured with an innovative process. Two colours are seamlessly combined in one component to show off your corporate design to its best advantage.

- 1 **SMALL CUP HOLDER**  
Inner diameter 65 mm
- 2 **BASE PART ON THE LEFT**
- 3 **END CAP ON THE LEFT AND RIGHT**
- 4 **SMARTPHONE AND SCANNER HOLDER**
- 5 **BASE PART ON THE RIGHT**
- 6 **LARGE CUP HOLDER**  
Inner diameter 72 mm

The EvoGrip is currently available for wire shopping trolleys with a width of 600 mm.

# EvoSeat

*The comfortable child seat*

- > *High seating comfort for the customers of tomorrow*
- > *Innovative two-tone design*
- > *Perfect when combined with the EvoGrip handle system*

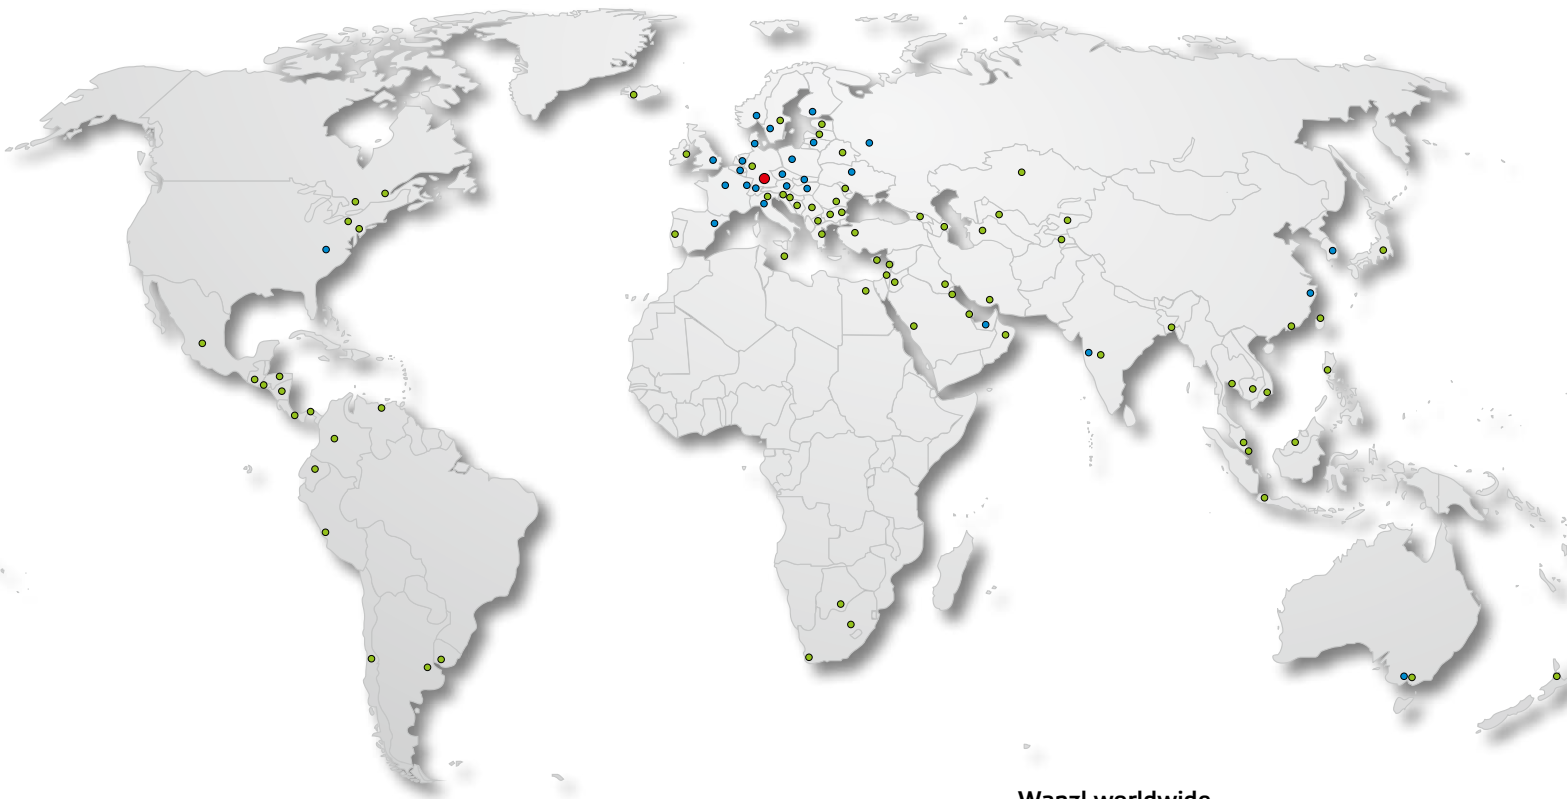

*The EvoSeat child seat is available in five attractive accent colours.*

■ With EvoSeat, toddlers are particularly comfortable while on the go and are safely accommodated. The child seat is equipped with a comfortable backrest and plastic seat. At the same time, the seat can be used for goods storage thanks to the two-part plastic surface.

The design is attractively modern and can be optimally adapted to your desired CI thanks to the dual colour scheme. When combined with the EvoGrip handle system, your wire shopping trolleys\* are given a completely individual design.

\* For all wire shopping trolleys with the following capacities: 101, 120, 130, 150, 155, 180, 185, 212 and 240 litres  
Welded bag hooks are available on request.
