

SMARTCELL™ Shelving

Adjustable | Customizable | Efficient

Features & Benefits

■ **All baskets are plated in hospital-grade chrome** and the framework is finished with industrial strength powder coat to enhance the durability and longevity of the system.

■ **Adjustable dividers** provide endless variations to storage space and also create opportunities to implement lean inventory management practices, such as Kanban and PAR level systems.

■ **Fine mesh wire baskets** come in various sizes and are suitable for mounting on louvered panels or cantilever pedestal frames.

■ **Bottom dust shelf/cover** provides a barrier and protection to bottom basket contents, maintaining Joint Commission standards.

■ **Wide variety** of accessories available to customize the system to your application. (See below)

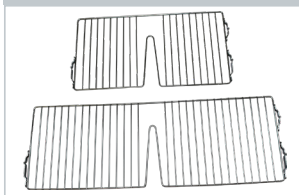

Casters

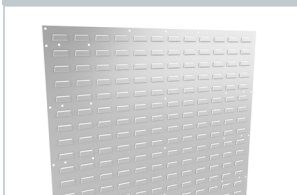

Basket Brackets

Dividers

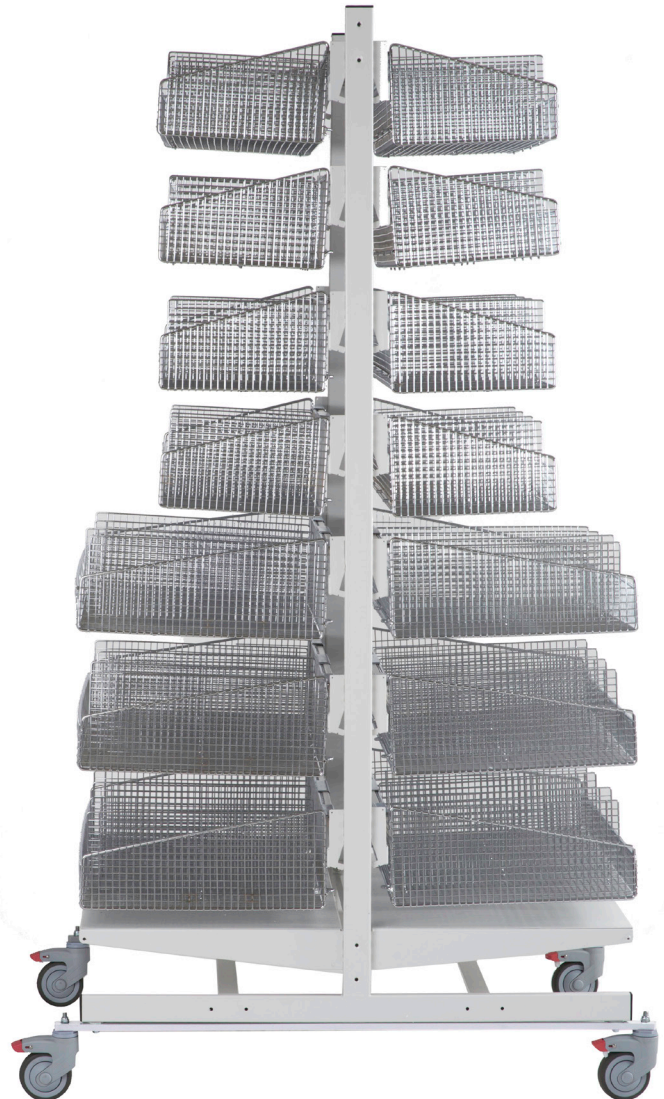

Louver Panels

Label Holders

SMARTCELL™ and SMARTCELL™ with round posts deliver industry-leading open wire storage that allows for easy identification of materials. Quickly adjustable storage compartments increase the efficiency of both materials management and nursing staff alike.

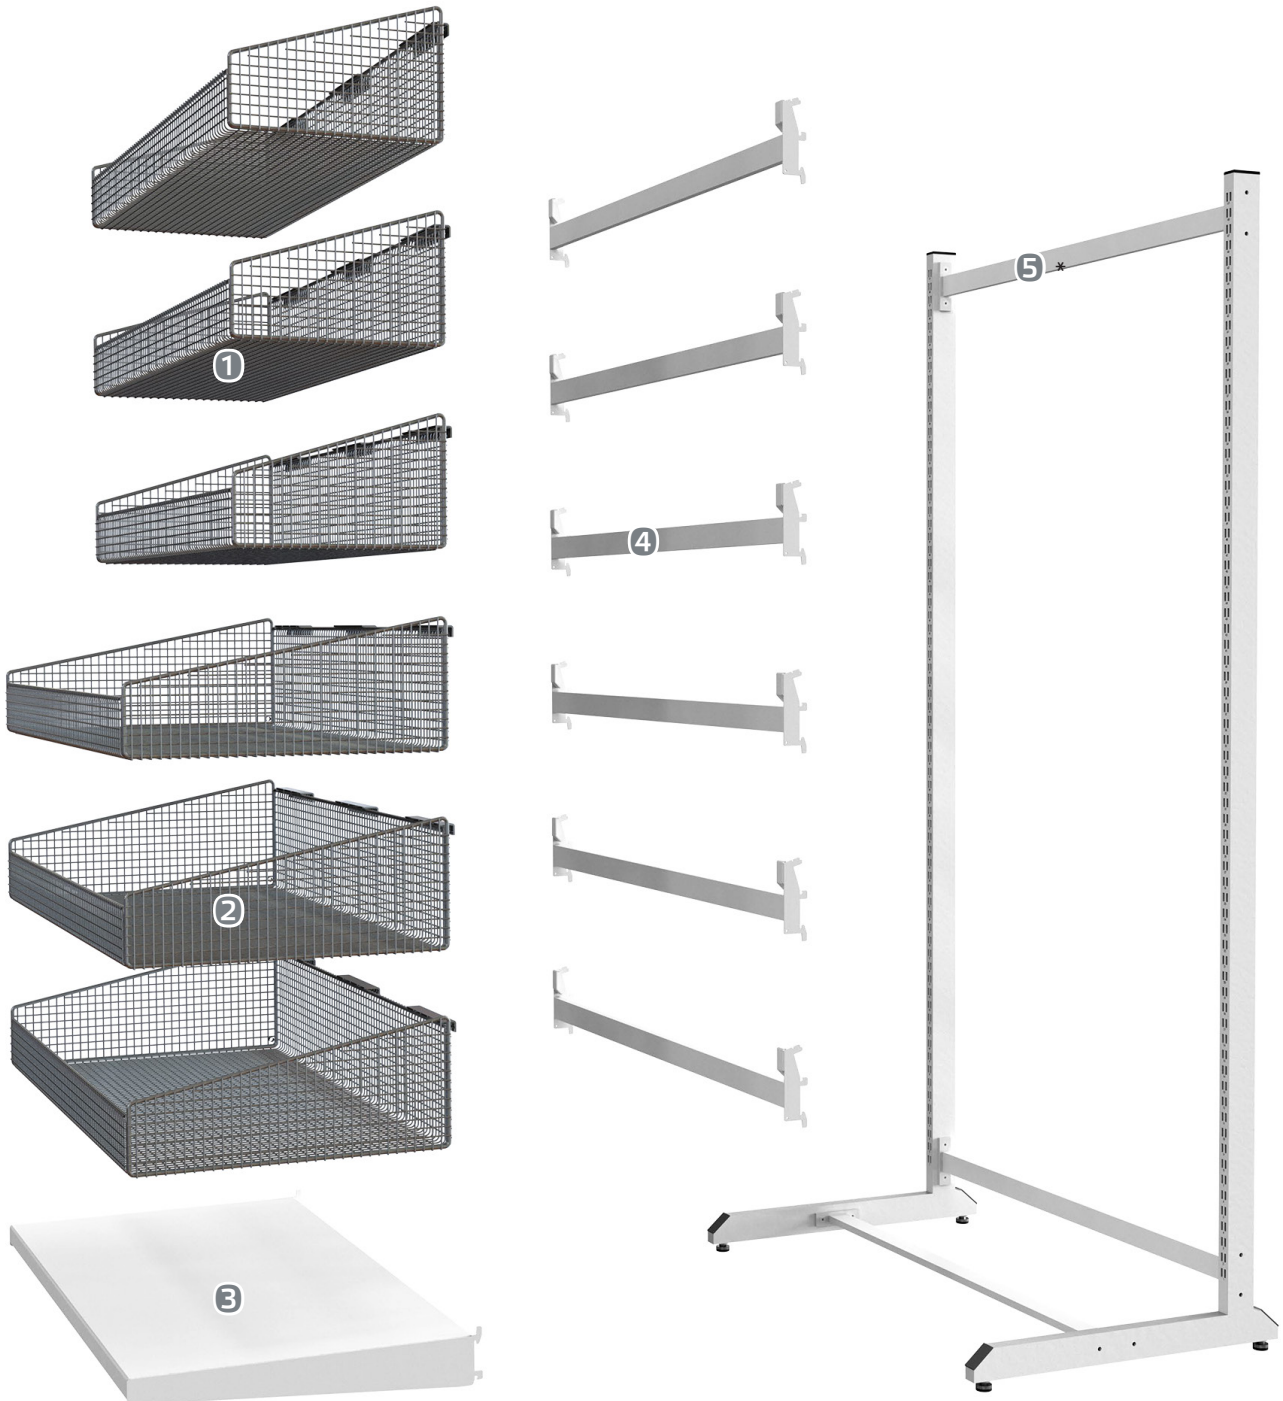

SMARTCELL™ Shelving

■ Every SMARTCELL™ unit kits include a 74" frame, hang bars, and a dust shelf. Each piece is coated with industrial strength powder coat for long-lasting durability. The baskets are plated in hospital-grade chrome, and kits also includes all the high-grade hardware needed for easy unit assembly.

SMARTCELL™ Round Post Shelving

■ **SMARTCELL™ with round post** design utilizes our standard round posts for easy custom configuration of mobile carts for greater mobility and visibility.

SMART CELL™ with round post are available in 36", 48" and 60" widths and 18" and 24" depths. Posts come in sizes ranging from 14", 27", 34", 43", 54", 63", 74" and 86".

The system allows for easy integration of standard wire shelves and brackets. Baskets are available in a flat configuration or can be angled for easier access.
