

Service for your shopping trolley

Specialist maintenance and repair

Cleaning service

Cleanliness to give you a competitive advantage

■ **Have your shopping trolleys** and trolley shelters professionally cleaned to high environmental standards and benefit from the experience and expertise of Wanzl Services.

Customer satisfaction also results from hygienic conditions. Immaculately maintained shopping trolleys increase the attractiveness of the store and strengthen the positive impression customers receive. In addition, the preservation of the high-quality surface finishes is guaranteed.

BEST CLEANING

for the cleanest shopping trolleys, transport trolleys and trolley shelters.

Maintenance and repair service

Perfect customer-friendly functionality

■ **Wanzl Services forestalls problems**, irons out defects and keeps everything running smoothly, because only a fully functional shopping trolley can generate sales for your company.

A shopping trolley can endure many years of tough conditions and as a result almost covers the distance between the earth and the moon. Top-quality also requires an occasional repair service, or even better, regular maintenance of all components and functions.

BEST MAINTENANCE

for the smooth operation of your store.

Spare part service

Guaranteed performance and safety

■ **Wanzl genuine spare parts** – we only offer the best, to ensure your shopping trolleys function flawlessly and retain their value.

Genuine spare parts from Wanzl are made to measure for each individual type of shopping trolley and are manufactured according to stringent quality guidelines. Only genuine spare parts guarantee the utmost reliability and a long service life, and protect you against claims for damages in the event of accidents involving products.

BEST SPARE PARTS

genuine spare parts and accessories for varied application options.
